[REDACTED] ! no one at this hotel speaks English...I can't book on line...all hotels near where you want to be completely sold out...can you book this hotel yourself? I can't find any english on the website. do you know if they have rooms? Maybe [REDACTED] can help you? You need to book under your name with your credit card and pay...Bella will reimburse you. I will need the address to this hotel in order to send you the World Cup tickets. The hotel must be booked exactly the way I purchase the tickets : [REDACTED] [REDACTED]. Someone will need to inform the hotel that your tickets will come to them and to watch for them. I have not ordered the tickets yet because we must have a hotel address first...can you help?

I have purchased your flight. it was one of 2 seats available!

how would you retrieve the  
tickets from them? They  
live close enough? I have  
no idea! I'm sure if you  
spoke to [REDACTED] she could  
let her parents know..but I

hate to purchase until we know for sure...I will need their home address and someone must be home to sign for them..,they do not make it easy and the tickets are close to \$900.00 each now...

the tickets can only be sent to a physical address IN Russia (paper tickets not emailed tickets!)...we need to know where you will stay...do you have a hotel in mind? or do you know someone in Kazan who can receive the tickets for you?
