Maybe it went into spam folder,,,
Just send her an email saying,,, you didn't receive it,,, and confirm your email with her,,,
10B is a awesome 1 bedroom apt,,, you'll guys enjoy it!!
Are you planning dinner at Mediteraneo?
Here is the Sushi Place I recommend,,, its best to make a reservation:
Name:
Sushi Seki

1st Ave / between 62nd and 63rd,,, short walk from the apt.,.

You must order:

Salmon sushi with Green sauce on top, (forgot the name)

Spicy scallop hand roll

Yellow tail sushi with jalapeño

Salmon Sushi with Cooked tomato on top.

If you tell them this order, they'll know what you mean.

Have fun
