the only website I can find that has tickets is Viagogo and they do not give you the exact number for your seat...Only that it is Section 1, 2 or 3...do you know of any other websites that sell the tickets and I will look.

I found a ticket in section 1...but it does not state exactly where it is unfortunately.
Section 1 is the longer side of the stadium (not the goal/end sides) I hope you are sleeping by now!
But let me know if I should buy this ticket..
