I suppose when they call here for Jeffrey at 4:30pm I can then conference you in, then transfer you all to Jeffrey in house...I will call your cell once I hear from them at 4:30pm!! (if for some reason this doesn't work, I do have a dial in number to use...but it should work)

After seeing Jeffrey's message appears that I guess I should listen and please include me  
thanks

HI Larry...Jeffrey wanted you to know we have a conf. call set up for today at 4:30pm with Eric et al. Do you need to be a part of the call? If so, I should give out dial in instructions...
