ok, that is what I thought...It is just [REDACTED] that says she may not stay until the 5th, so hoping [REDACTED] will stay and make use of her pricey hotel stay! ;)

>> Hi Bella... [REDACTED] is telling me, she and [REDACTED] may not stay at the hotel for the entire July 1-5 time period...from what I can tell we had to pay 100% of the room fee at the time I booked the room...Wondering if you should call and speak to reservations about the possibility of them checking out a day early? You do not need to do this today, but tomorrow would be good. (I have a feeling we will have to pay regardless of if they want to leave early, but doesn't hurt to ask in Russian!) [REDACTED]
