Ok

On Sat, Jul 21, 2018 at 7:54 PM [REDACTED]:

My house Wi-Fi is still super sketchy. Up and down constantly last week. I've been "speaking" with James and he believes all our equipment is old (4 years) and we need to upgrade all and move on from the Apple airports, etc. he has asked for my floor plans to devise a plan. He says he can come out next week to my house and work on this(even though I'll be away). Would this all be ok? [REDACTED]
