I spoke with Leo but how come it only happens in your apartment. He also mentioned that you have handbags hanging on the door knob. Please have those removed then we'll see if it will happen again.

Oh my!

I already had an accident after Leo's cleaning few weeks ago .. and now today again.  
It never happens when I close the door myself.  
I already talked to Leo once it happened.  
Leo, please make sure the door is closed completely. Thank you

Thank you very much for the update
