Good morning Jeffrey,

Many thanks for the site visit proposal. We feel better to first work on preliminary sketches, master plan and the house organization and then after this phase meet you on site if that's possible for you.

We'll come back to you to organize the site visit before end of July. If by chance you're in Paris or coming around end of this month, please feel free to visit us, we'll be able to present and discuss directly about the project and of course be more efficient.

See you soon

Best regards
