Dear Jeffrey,
I need Your word.
The master of Kobido is coming back to Paris probably for the last time. He will be giving Level 3 and 4 .
I already have level 1 and 2 , because of You! This new profession is changing my life in such a wonderful direction. Thank You very much from all my heart.
I've never experienced such a strong desire to know and learn more when i do now. Definitely I can perform with two levels, but i feel is not complete! i need guidance, i need a professional eye to look at my hands, i need remarks to help me to become better. Level 3 teaches how smoothly

connect the "letters" which i already have , into the words,
sentences... thats how I will be able to write a effective "poetry" on
the clients faces.

If i will be taken in level 3 , could i dare to ask you to stay at your guest apartment
for 5 days, from July 30th to 4 of August?

If its not possible do not worry at all! I will fully understand!

Unlimited gratitude and lots of love.
