Subject: [REDACTED] 2 tickets

I absolutely HAD to provide a Russian number in order to purchase for [REDACTED] 2 tickets for France vs Argentina game on June 30th...I have given the website the phone number for [REDACTED] grandmother: [REDACTED] [REDACTED] ([REDACTED]). [REDACTED], I cannot give your US cell number. [REDACTED], your account with Viagogo also has your French cell as the main phone number ([REDACTED]). Your Password for Viagogo is your first and last name, no capital letters: ([REDACTED]).

The website states the tickets will be delivered via "courier service" and they are guaranteed to be delivered before the event. Unfortunately, it does not say exactly WHEN to expect the tickets? I am told they can be delivered anytime between tomorrow and up to 3 hours before the time of the event..

CALL 1- [REDACTED] to find out any info! Give the order confirm number

If no one is at the house to sign for the tickets, the courier should leave in the mailbox...your grandparents should check the mailbox frequently if they go out.

[REDACTED], please explain all of this to [REDACTED]! :)
