Thank you for your reply. I will find out what kind of car details(make/model/year). My boss has permanent residency in the USVI (Virgin Islands) but the car would be sent from either NY city or Palm Beach, FL where he also has a residences. He has lived in NY all his life. He owns a house in Paris, France.

I will get back to you soon.

I hope this email finds you well!

I just gave you a call but unfortunately, you were not available.

We received your question regarding the import to France. however, in order to respond to your question, we need to know the following:

1. Year/ make/ model of the car
2. Has your manager lived for more than a year in the US?
3. Since when does your manager own the car?

Once, we receive the information requested, we will gladly help you out!

Best Regards,

**Amin Rajabi**
