Hi Les, I had exterminator last time and have had no incidences of unwanted little guests so my apartment does not need to be done!  
Thank you so much!!

The exterminator is at the apartment building today. Leo will go around to all the apartments and knock on your door..if you are not at home he will go in with the exterminator to fumigate for you. If you do not wish Leo to go you must tell Merwin ASAP please! He is CC'd on this mail.

Thanks, Lesley
