Yes, he is right.

I just disarmed the alarm. Can Leo still bring them in and put them in the corner of the living room?

Thanks a lot and my apologies,
Nili

Hi Nili....Apparently you have many packages at 301 waiting for your next arrival...but they are taking up too much space in the package 'Hold' room...we can either move them in to your apartment for you (you would need to turn off the alarm first) OR, if I don't hear from you, I will have Leo bring them back to Jeffrey's home for keeping.

Andrew, the superintendent, says he needs his space back in the package room.

Please let me know if you can turn off the alarm today or tomorrow (Tues. July 31 or Wed. Aug. 1) otherwise, I will have Leo move them on Wed. Aug. 1 afternoon...

Thank you,
