Hello all!
I also have no problem!
Last time Ceaser closed wholes on the wall under the sink and now they never show up!
Strongly recommend to check out any wholes, they come from there

Hi Les, I had exterminator last time and have had no incidences of unwanted little
guests so my apartment does not need to be done!
Thank you so much!!

The exterminator is at the apartment building today. Leo will go around to all
the apartments and knock on your door..if you are not at home he will go in with
the exterminator to fumigate for you. If you do not wish Leo to go you must tell
Merwin ASAP please! He is CC'd on this mail.

Thanks, Lesley
