I actually did not have the pleasure of speaking with him...spoke to another guy...we will be done at 1pm ...and I may take an extra car and leave earlier! (5 hours seems like a long time to me) I will confirm with Mitch it is only 3 of us going. I do want to try it! Mom and I will have time to hike for sure... YES, I think breakfast before is a good idea. We will be on east coast time so getting up and out won't be a problem I don't think...

GREAT. I'll bet Mitch knew who you were.  
Best we stay here and keep the home fires burning.  
Diana would rather take Lesley on a hike, outdoor adventuring, and let the boys go fishing, but do what is the most fun for you guys.  
You'll be back 12:30-1:00 for lunch, Right?  
Will you want to go to breakfast ahead of time?  
Randy

Please give a call to Mo Henry's about fishing the morning of July 24 or 25. The earlier the better for your itinerary.

I discussed with them the fact that no guides allowed in town and the public waters right by our place in High Country Haus. But, they have

private water down the river less than 30 minutes away where they CAN take you. Note this is all fly fishing.

They have all the equipment and info... Can rent equipment to you if you want to try on your own, but be advised I am a fishing observer and know little about it. I do know make caught a fish in our front yard... see here:

Let me know what you work out so I can update our master plan.
