Hi Daphne...I will be leaving for holiday July 19-29...now that Bebe is gone I believe I will need you again to forward the phone line to and answer emails...Jeffrey will be in Paris when I am away which usually means a big slow down in calls and emails. You may get an automated call or 2 and that is about it!...Jeffrey will have an assistant with him in Paris and I plan to get his as organized as possible before leaving...

...but wanted you to know...

will you be around July 19-29!??? (I should have asked that first!)
