Hello Jen. Hope you are well. I wanted to circle back and see if Peter might now be available for a call with Jeffrey Epstein? He is hoping to speak with him.  
Please let me know! Thanks so much, [REDACTED]

Hi [REDACTED], Peter is unable to speak with Mr. Epstein at this time. He has retreated to his forest and is not doing any interviews or calls for at least a few months. Best, Jen

Good morning Jen and thank you for your response. Mr. Epstein has the evolutionary dynamics institute at Harvard, and is funding plant work at the Media Lab MIT. . Mr Epstein would like to talk to Peter about funding some research or experiments of his. Once you are able to communicate with Peter please do pass along the word and lets see if we can set something up. Mr. Epstein will be in Paris next week so time zone would be agreeable!

Hi Lesley, Peter is just back in Germany and catching up on his farm, as well

as expecting a new grandchild any day now. I am happy to pass on a message from Mr. Epstein requesting a call, but could you provide an introductory paragraph as to what Mr. Epstein would like to discuss? Peter may not be aware of who he is and it would help if he knows what the discussion will entail.

I'm not sure what his schedule is this week. He still has his autoresponder on as of today. Best, Jen

Hello Jen. I received your email from Vanessa Sellers at the NYBG...Jeffrey Epstein attended the symposium on Plant Intelligence last Thursday March 22. He is hoping he could set up a time to speak with Peter Wohlleben. Might it be possible? Jeffrey will be available tomorrow, Wed. March 28th, Thursday March 29th after 1pm or anytime this Friday March 30th...we can always look beyond this date as well if it is not good for Peter. Please do let me know.  
Thank you,
