Subject: [REDACTED]-2 pieces of luggage, one overweight

Title: American Express ®

Flight on July 28, Aeroflot :

I called airport, they said we can't prepay for the overweigh in advance, due to they have to weight it at the airport. They told me she has two bags free up to 23 kg each.

Alitalia on July 26 - one bag 23 kg (50 pounds) and carry on 17 pounds free, second bag (up to 50 pounds is 75.00USD, can't be prepaid).

Anna has 2 pieces of luggage she needs to check..one is overweight. Can we pay for bags or is it done at the time she checks in? Once we get her ticket organized can you tell me how much it is to check bags?
