Great, thank you.

Merwin, could you please kindly double check if the showers in both room work well, since we very rarely use it.

Thank you very much!

Sonam, could you please have the guest rooms on 4th floor ready for them to use on Saturday.

I will check on lunch preferences later.

Both will come to the house after clearing customs (I hired Carosa Car service to bring each of them) Jeffrey would like them to wash up and have lunch. Wheels up to the island with them is 4:30pm.
