**Subject:** Repair on your floor in apt TODAY!!

[REDACTED], Anthony needs in your apt today! The floor guy is there today and they want to fix your issue. He says it will take about an hour. May I give Anthony the code if you will not be there? He said he tried to reach you. If you miss the opportunity today I don't know when the guy will be back. Anthony says you have been waiting for this to be fixed for awhile now. Can you please call him? Let me know what you want to do. Thanks. Lesley.
