Hi Nancy...I sent the below email to Kari and realize I probably should have had you on it as well...do you know if they moved and if she still has all the 'lane books'?
Hope all is well! [REDACTED]

Hi Kari. Hope all is well! Did y'all make your final move!?!? Oh my where did the summer go! I saw an open house sign this past weekend by your driveway. Hope you are getting some bites.

I started thinking -in the middle of the night no doubt- about the Lane books or documents and stuff you wanted to pass on to me. Should we get together if you are here or send to me? Or maybe you have given to Nancy? Let me know. When is the lane meeting supposed to happen and is there anything on the 'docket' I should know about?

I'm sure you are super busy with school starting and your move ... and life in general. I'm not too worried about this stuff but when you have a moment let me know.
Thanks and hope you are doing well. Lesley
