Hi [REDACTED]

I hope you're well too.

Unfortunately I don't know if my gynecologist is in NYC and when I'm in the UK I'm really in London.

I hope your friend is ok. I'm not sure of her concern but I worked with a pretty good clinic there once called Manchester Fertility clinic

where they have a roster of staff if her concern relates to that.

Sorry I can't be of more help.

All the best,

[REDACTED]

Hi [REDACTED]...I hope you are well...it has been awhile since I've seen you! Not sure if you are in NY or Manchester, but I recall you lived in Manchester...wondering if you might know of a good gynecologist you could recommend. I have a friend moving there and she needs someone right away. Please let me know if you happen to know of a good practice.

Thanks so very much,
