**Liability Statement.** American Express Travel Related Services Company, Inc. and its parent, subsidiaries, and affiliates, are not liable for any loss, injury, damage or expense resulting from acts of omission or commission by travel suppliers, including but not limited to delays, overbookings, cancellations, operations, accidents or failures of equipment, or changes in fares, itineraries or schedules; or acts of God, governmental authorities, civil unrest, strikes, riots, theft, disease, accidents or failures related to the public infrastructure, technology systems, or any other cause beyond the control of Amex.

**Intermediary Disclosure.** Amex assists you in finding travel suppliers and making arrangements that meet your travel needs. We do this by identifying travel suppliers to you and recommending specific itineraries. In this role, we are acting as an independent travel agency. You should be aware that certain suppliers pay us commissions as well as incentives for reaching sales targets or other performance-based metrics. We also provide compensation to our travel counselors. Certain suppliers may also provide compensation to us for various marketing and advertising activities, such as granting them access to our marketing channels, participating in marketing programs and supporting technology systems. When customers use the American Express Card or other American Express products to pay for services, we may enter into other business relationships with suppliers and these arrangements, including levels and types of compensation, may change. In identifying suppliers and recommending itineraries, we may consider a number of factors, including the relationships we have with suppliers and the relationships we have with travel agents. These relationships may also influence the suppliers we identify and the itineraries we recommend.
