Hi [REDACTED],

Do you know if Mr. Epstein went to the Quest lab for the 24 hour urine test?  
I am asking because Dr. Moskowitz wanted me to add an extra test onto the one ordered  
and there is different protocol for me to go through to add the order if he has already done  
the test.  
If not, I will simply just re-fax the script with the updated order.

Thanks!
