Nothing on your side to do differently! I just faxed the additional order and they'll get it all done there with everything else :)

Hi [REDACTED]!

Do you know if Mr. Epstein went to the Quest lab for the 24 hour urine test?  
I am asking because Dr. Moskowitz wanted me to add an extra test onto the one  
ordered  
and there is different protocol for me to go through to add the order if he has  
already done the test.  
If not, I will simply just re-fax the script with the updated order.

Thanks!
