Hi [REDACTED]. Please please speak with the agent there. It is always best to talk to them and have them get you on the next flight. Have you gone to the desk yet? What do they say? I will call our agent here now also but I know she will advise me to tell you to speak to an agent there. Let me know what they say.

Hi Lesley , just want to let you know that my plane took off and probably after 30 mins captain said that there is an issue on the plane. And we had to get back to Helsinki airport.

Now I'm waiting .but I'm panic because they gave me visa for 9 days and tomorrow it will expired. So I have to get back to nyc ASAP .

Bella please make sure my phone is working

I'm afraid of something will happen and I need to be in touch ,  
Thank you very much
