Subject: Erica from Mt. Sinai re Parathyroid Levels

Erica Petlz from Mt. Sinai is asking if you would like to send your most recent blood results to her...she can provide them to Dr. Eric Genden (who she says you saw earlier this year) Dr. Genden is in surgery all day today and tomorrow morning. The earliest he could see you would be tomorrow afternoon for a parathyroid level check...
Shall I send her the blood results from Dr. Moskowitz office that was emailed yesterday?
