Good morning Dr Merrell. Jeffrey is asking if he may speak with you today?
Jeffrey is in Paris but will make himself available to speak anything you
have! He is also asking if he could please have you take his blood this
Saturday morning? He will arrive late Friday.

Please let me know. Jeffrey can be reached on his cell ([REDACTED]) but if I could give
him a range of Time you might call he will be sure to keep his phone close
by!
