Hi Brice...let me know what day/time you schedule Barry for and I will include in Jeffrey's itinerary...from what I understand Jeffrey will be on the island from 18-22(?)...I have no appointments for him so any time will do...or forward me Barry's email address and I can set up...either way!

I would recommend you meet him, as he has a lot of experience, regarding small island development .
Everything from RO plants to Landscaping.
He figured out how we can install big palms in the court yard on LSJ
also how to move Turpentine Tree's with better success rate.
