Tomorrow after 2pm will be just fine. Yoni says you may go anytime that is convenient. If you can pinpoint a time great. The code to 7J is 1020

Hi [REDACTED],  
My first availability is tomorrow after 2PM.

From what Merwin sent me, the Apple ID I created for all the Apple TVs at 66th has been "locked". I'll try to resolve that ahead of time (or just create a new one if I can't).

Once that's fixed, it'll just be a matter of reinstalling the standard Apps (channels) as originally deployed.

Thank you,

Hi James...when might you be available to go to 7J and fix the issue with Apple TV? The man and his family staying there will be leaving shortly for the day...but I will assure them you can go in...can you go today? or when is earliest you can get there?
