At the moment we have a game scheduled on 13th at 6:30pm which means the 13th won't work.
But things are changing. Hang in still please

13th is Diana's high school class reunion, but the Texas Party would take precedence.

We are in a holding pattern on the date for our party...the actual schedule for football still not released. Ike is supposed to go away Oct. 20th...27th is the start of playoffs and we don't know schedule until that week of Oct. 22 ...playoffs continue into November.... I know Oct. 13th the Hulls can do, ...is it no good for Mom and Randy? I realize it was not on your list...Oct 6th no longer good for Hull's...Maybe Nov. 17th? Will playoffs be done by then? it would be cold outside I'll bet. 32 degrees average low and 50 average high for November.

Hi Les!

I am just off the phone with mom. . . she would actually prefer October 20 because they will just be getting home AND Peter and I are just back from Canterbury and found out there is a big event being held on October 6 that we would like to be a part of. . . . is that date still an option??

The reason we d not want you to purchase yet is the schedule has not been released to the public. It's still under scrutiny. But we believe and hope it will stick! We need to get out invites.
