Reminds ME of when YOU & ASHLEY used to get sick !!!! I've been there with you, TOO!

Poor baby Gemma – it happens. Good for Ty for helping out. And REALLY good for you, for being a loving 'puppy mom' – that's part of what it takes to make the permanent bond – you and your dog wind up loving each other SOOOOooooo much! It's all GREAT! Love mom

mom! so fun talking with you last night! Wanted to remind you Ty will have a football game evening of Friday OCT. 5th in our town so for sure you want to be here for that! Get a flight arriving Wed. or Thursday...I believe I will be home the first week of Oct and not in the city because Jeffrey plans to be here the entire last week of Sept. He can only stay in NY a max of 10 days at a time, and 9 is usually the longest.

On another note, Gemma was soooooo sick all night! I pulled total mommy duty. she pooped in her 'house' twice and I decided we needed to sleep together in the laundry room! I took her outside every hour and a half in the pouring rain! She puked twice. major diarrhea! For sure her tummy was upset. I just made her white rice and chicken for lunch and need to feed her this for the next few days. Ugh....Ike slept through all this but Ty was up with his friend at midnight cause today is no school for Jewish holiday. Ty filled up our queen size air mattress and demanded I sleep on it if I was staying in the laundry room. It was actually perfect cause it kept Gemma in a tiny area where she couldn't get out and kept her on the tile floor. Reminded me of pulling all nighters when Ty would get sick.

I am happy for the 6th. Maybe Diana will figure out how to deal with it. We'll see as soon as there is a firm date. Call her.

its really our schedule more than yours...what is really screwing me up is Ike's trip on 20th...that would be the PERFECT weekend but that is when all his friends from high school are getting together in Miami. sucks. It would work for all of us and we have no football game. But he would never not go.

unfortunately Ty's football game is at 6:30pm on the 13th. it won't be over until 8pm. It's just not optimal...The game is in our town...but still guests wouldn't arrive till 8:30-9pm? I don't know how to prepare for the party and be at the game...let me discuss with Ike.

Sorry – I TOTALLY can't be ready for a NY trip by Sept. 29th. October 13th would be perfect.

We can not plan anything in NOV as we don't know when we will have play off games. If we plan a giant Party and get scheduled for a night game we are screwed. It stinks. But that's the way it is

Would Sept. 29th work for TX BBQ party? I know it is only 3 weeks away...and not sure M& R will be back from CO? The 6th still works for us, but I know A&H have a party...Mom says they will just be getting home.

Oct. 13th we have night game

Oct. 20th lke away

Oct. 27 we won't know about our game until Oct. 22nd and It looks
like the Garrity's will be here that
weekend.

Nov. is hard since it is play offs and they go until weekend of Nov. 17

Bottom line, does Sept. 29 or Oct. 6 work? probably not ideal for
either of you...
