Did the fare go up tremendously for the 19th?

Lesley, fare of 882.21 for September 19 departure expired today, you emailed me at 9pm, I was already gone, fare can't be guaranteed till ticket is issued. To get fare of \$882.21, now it has to be September 20 departure.

ok, so is another day (the 18th or 19th better to fly out on?) JE might not care about the cost but I know ██████ wants to stay longer....

What makes it so much is outbound date (not time), not return.

Hi Natasha...we need to change [REDACTED] departure date to Sept. 17th...it does not matter the return date....we only did a return to get the price of the ticket down...you can use any date that make the price difference the least amount as possible or maybe even less! Let me know options...same flight on 17th late would be great if available...
