correct, there is no direct from St. Bart's to STT...it is only the return he was hoping to take a direct flight to the island...if you look at the first email I sent you he found flights...my question is, he would arrive on 8:45AM? That doesn't make sense? He could take the flights you found on 4th and depart on the 5th, spending the entire day on the island...unless I am thinking of this incorrectly...landing at 12:39am? or maybe he means something is amiss....it would be an all day layover in San Juan the way he has it...?

No direct on the 5th. On the 6th, will 6th work?
