Dear Mr. Jeffrey Epstein

On Wednesday, September 26th, please join Gagosian for a book signing to celebrate the release of THE WHITE HORSE by Mary McCartney.

The signing will be held from 6:00pm-7:30pm at Gagosian Shop, 976 Madison Avenue.

To attend the event, RSVP to [REDACTED]

In Mary McCartney's largest body of work to date, the renowned photographer pays tribute to the extraordinary beauty of one particular white stallion, her Alejandro. In a series of portraits, the idyllic countryside of Sussex, England, where McCartney grew up, forms a backdrop to her close relationship with the stallion. She is the daughter of rock & roll photographer, Linda Eastman McCartney.

Using a medium-format camera for formal portraits as well as 35mm and

smartphone cameras for candid shots, she captures equestrian life and the mysterious bond between human and animal over the course of a year. The reader is taken through lush green meadows, dappled trails, and nighttime forests, often using the unique perspective of a mounted rider.

In addition to The White Horse book, a new limited-edition print by Mary McCartney will be on view and available for purchase at this event.

We sincerely hope you can join us to celebrate Mary McCartney and her new book.

xoxo,

Peggy
