I called back and spoke with Carmen. He is \$800 and hour and he IS taking patients in NY (but not Oregon). They can provide forms to submit to insurance for reimbursement if it is something her insurance company does.

Dr Conti is not taking new patients at the moment. I asked how much he is an hour but was told I must speak with Carmen. She was not available. Should I leave a message for Carmen on her VM and ask how much he is anyway? They told me other doctors in the group are possibly available for new patients.
