Thanks so much for Leslye's contact info - we just spoke and she has asked for references. Would it be okay if I gave you as a reference?

Thank you!

I just received an email the other day from a head hunter asking if I knew of anyone great to fill a job in....California!...so that for sure does not work for you...I will forward you the email next so you can see it... you should reach out to this gal ...she works with only the best of the best (at least I think)! I'm sure she would be a great contact!
Take care of you and your family! :)

Hi Lesley,
Hope you guys are well! How are things with [REDACTED] and [REDACTED]? How is JE?

I was just reaching out because we finally made the move to Westchester and I am just now beginning my search for a new job closer to home. I remembered you mentioned you would keep me in mind if you heard of anything :)

I've reached out to a few recruiters who specialize in the Westchester/Greenwich/Stamford areas but nothing has really jumped out yet - I was hoping to find something in the financial sector as their hours work better for dropping off and picking up from daycare.

Anyway, if you are Ike
know/hear of anything please
do pass it along as it's hard to
navigate looking for a job
outside of NYC (I'm not
familiar with how other areas
work!).

On another note, we've been adjusting to suburban life and as
soon as we moved, Leo started
walking! It's so amazing how
much happier he is with more
room to cruise around. I've
attached a photo of our little
guy

Hope to hear from you soon and thanks again for any tips! Please
tell everyone I said hello!

XOXO

Hi Lesley!
Thanks so much!
We are definitely
looking forward

to having space
and trees! We
actually just
bought a house
upstate as well
since we are
moving in with
my husband's
ailing mother in
Westchester - we
needed a space of
our own for the
weekends!

Thank you for the
tip and and for
keeping me in
mind. I was
actually thinking
it would be good
to send my
resume to some
recruiters as well!
Good to have it
out there in case
the perfect
opportunity
arises.

Take care and thank you again! Hope you and the family
have a wonderful
new year!

it's official, I'm
moving to
Westchester by

March 1st. I just started a new job, which I like but I am a bit worried about the commute and having Leo in daycare for 12 hours a day. I thought I should start putting feelers out there in case there are any good opportunities in the Greenwich/Stamford/White Plains market. I remember you mentioned a friend was looking for an assistant a couple years ago so was hoping if anything like that came up again, maybe you could consider passing my resume along. Right now I'm working as an Executive Assistant to the CEO of a new multi family real estate company owned by Blackstone (we don't have a name yet).
