**Subject:** Jago

Hello....we are interested in commissioning Jago to create a sculpture for a private island in the Caribbean. Might someone be able to contact me so we could discuss the possibility? My employer owns 2 islands off of St. Thomas and is very interested in Jago's work. If you are not the correct people to contact re this inquiry, could you please direct me to the proper person?

I look forward to hearing back.

Thank you,
