yes, I can certainly cc you on any mail I send from here on out...this is the first time I have contacted these girls however as before I did not have their email addresses...I contacted all of them this time around...the only one who has received her ticket yet is [REDACTED]. I keep asking if he wants me to send [REDACTED] her ticket and he never answers. Today he answered with 'lets review all today' it really does make sense for you to be the one in touch with the girls considering the time difference and you are in Paris...we just need a system that works. I will come back to you later after I speak with Jeffrey! We will make it all work smoothly I'm sure.

Hi [REDACTED]. I contacted [REDACTED] to ask if she could come Oct 2-4. She said yes. I told her I would be in touch once I purchased her tickets. I have not sent her the tickets though because I always request Jeffreys approval first before sending. Jeffrey wants to go over the girls schedule today with me. What does he ask you to do when it comes tomorrow the girls? We do need to be on the same page
