Paris, [REDACTED] was assigned a 'premium economy' seat and you are in economy. It
had to do with fare rules...when you get to the airport go to the ticket agent and
ask if you can be seated next to [REDACTED] for free. or see if they will put
[REDACTED] next to you in economy...however you want to handle it. Or keep your
seats as is...not sure you care! Or maybe you switch seats with her half way
through the flight...! whatever you want to do! jUst wanted you to know before
you got to the airport.
