this morning Ty did not pick up all of Gemma's poop... she has a tendency to poop ..then walk some and poop again. ('im sure you have noticed but always manage to pick it all up like me) If you recall when you left this morning I took her out for one last pee and stepped in the poop. great. My shoe was a mess and I was in a hurry to make the train! Needless to say I was not happy. I called Ty and he said he thought he got it all but she may have pooped again in another spot. He needs to be more careful and I told him so. I asked G to try and find the poop this morning...I also scraped some on driveway ..asked G to pour water on it

Ty just texted me... he wants to hang with someone. I said ok but 5pm is latest he can do. Have not heard back so not sure if someone is coming over or not!
