Hello Jessica. Jeffrey says he is still hoping for the call from Dr Paduch or you to go over his blood results. Is it possible for you or the doctor to please give him a call on his cell as soon as possible? [REDACTED]

Please let me know.  
Lesley  
Assistant to Jeffrey Epstein.

If he does not have a Weill Cornell Connect Account yet, I encourage Mr. Epstein to sign up for one as this is a secure electronic messaging system. It is a faster and more reliable way to communicate with your physician, nurse and our office along with requesting refills, appointments, and obtaining your results. I can send the code for Mr. Epstein to sign up.
