And OK on the duvet cover. That was not something she was going to purchase. Fine to use ours

Hi Lesley

We finished cleaning 11J....and do I have to put flowers and fruits?

I have following few notes:

1. The new sheets that's Nili brought has no duvet cover, so we put clean duvet cover from us.
2. I check the refrigerator and there is lots of good items and it's all good, so I didn't throw anything out.
3. I put the extra towels in the closet next to their bathroom if they happen to ask

Thanks

Hi Sonam. Can you please go check on Ehuds apt this morning? They are Returning today and the alarm is off. I believe Leo has already cleaned it and it should be just fine but Nili would like us to check up on it. Please let me know as soon as you can. Thanks
Lesley
