My accommdation comes to an end this weekend. I am struggling to find anything decent long term (my long term is 6 months). It will just take a little time I am sure. I'm wondering if it is a good time to go down to Cape Town [REDACTED] for a couple of weeks and come back hopefully a little more energetic and refreshed.
I have found a short term studio that I like and that is available, but I don't want to stay in it for too long as it is expensive

Miss you all so much and love you xxx
