Subject: Reminder: Francois from 3Bis re dates for island

Reminder: we told Francois from 3Bis we would know your schedule better by this past Wed.

Dear [REDACTED]

We are looking for the best time to meet Jeffrey on G.St James Island after the hurricane season. Fabrice and Nicholas schedule is at this time open, except for November 1st and 14th. We hope that will be compatible with Jeffrey's schedule with the objective to all meet on the Island site and move forward on the project.

Please let us know

Best Regards,
