I have my laptop to see the project.  
To see everything else, a connection to the internet is sufficient.  
Thanks a lot [REDACTED]  
See you in a couple of hours!

Wow! Fantastic! Jeffrey owns the entire brownstone (no apartment number). Just ring the bell on the right side of the enormous wood doors and we will come let you in! Please bring your presentation and anything else you would like Jeffrey to see!  
Looking forward to meeting you at 11am. [REDACTED]

For me it's okay because I'm in town this morning. So at 11:00 I can be at the address you indicated to me.  
Let me know what I have to do there once.

Thanks  
Jago

Good morning [REDACTED]  
At this moment I'm finishing up preparing the 5 videos of the presentation of the project.

I send everything tomorrow as promised.  
I can not compromise the quality of the result by risking that its  
value is misunderstood.  
Thanks a lot

Hello [REDACTED]  
Unfortunately tomorrow I'll be busy at work, so, as you had proposed,  
we can arrange an appointment in mid-  
November when both me and Jeffrey are  
free.

I look forward to hearing from you

I am very happy to know of his connection with the Academy. It is a very important institution that conducts a beautiful work in favor of new artist generations. However as planned the project should be ready by Wednesday 31st, so if Jeffrey is there, I might be able to come to Manhattan on Thursday November 1st. If it's OK with you, I'll let you know with confidence on Wednesday morning. Otherwise we will schedule a meeting in mid-November.

Hi [REDACTED] how are you?

I'm writing to you about the meeting in Manhattan for the presentation of the project, to update you on what will be my commitments in November.

From November 2th to November 7th I will be engaged with a lecture and a Master Class at the New York Academy of Art, so I will be free to organize myself from

November 8th to

I'm glad you had a  
wonderful trip. My  
pleasure to coordinate.

[REDACTED] from the island will work on getting you the  
items requested.

Excellent to know you should have something to present by Oct.  
31. Jeffrey would be very  
happy to meet you at his  
home in NY...at the  
moment, I am not  
positive when he will be  
here, but should be first  
or second week of  
November. I will circle  
back to you as the date  
approaches so we can set  
a meeting.

We will be in touch! [REDACTED]

Good morning [REDACTED]  
I would have written you in the day.  
The trip went very well, and I want to thank you for your

hospitality  
and  
congratulate  
you for the  
great  
organization  
al capacity.

They were two very intense days, as soon as we arrived  
we went to  
make the  
survey until  
late  
afternoon, in  
the morning  
we visited  
both islands  
again and I  
could clarify  
with the  
many ideas I  
had.

In these days I will make drawings and prepare renderings  
to clearly  
illustrate my  
intervention.

I wait for your assistant who welcomed us on the island to  
send us  
further  
photographic  
documentati  
on and the  
topographic  
map of the  
island.

Every works that I'm going to do will be interactive.  
If we realize what I have in mind it will be a masterpiece.  
I think that by October 31st I will be able to present you  
the project.

Do you think it will be possible to organize a meeting in  
New York  
for the  
presentation?

Best regards  
Jago
