Hello Claudia! I realized I typed in the WRONG ZIP CODE for delivery of our packages! Fed Ex was able to change the zip code on the first package that was sent (Tracking #773677992030)...but the second package is not showing up in Fed Ex's system yet. I am hoping you can change the zip code on your end before shipping. I have made the address correction on your website. The CORRECT ZIP CODE is 10021 (wrong is 06840)

So sorry for the inconvenience! Can you help?

Thank you for your reply. I have placed an order on line for 24 shirts (I found 7 at Bergdorf's in NY) However, I am having a problem with the 286 Sea Island Cotton Brief...Bergdorf only has 4 pair in White Medium. I need 27 more pairs! YOUR website states 'out of stock'. Do you know when you will get them back in stock?
