Subject: Need to Issue ticket for Francois (3BIs)

below from Fabrice Bourg...I will cancel the ticket for Nicolas. I believe it will cost 200 Euros to cancel, but we should receive the rest of our money. I will issue ticket for Francois. Non Refundable is \$8839.76. Or Refundable is \$10,763.76. Which should I purchase? If they will for sure take the trip, Non Refundable so we save almost \$2000!?
