Do you want to discuss how to handle the watch orders for Europe with JE? Or just have the watches sent to us and we fed ex to each person in Europe?

Hi Lesley -
Attached is the quote for the orders shipping to the US. I haven't received the updated spreadsheet from my support team yet for you to review to ensure shipping addresses are correct. Once I have that, I'll forward it over for you to verify the information.

Also, re: Europe. The teams in the UK and France are now telling me they no

longer accept US credit cards over the phone. This is apparently a new policy they have put in place. Sorry to misinform you. This is a policy change I was not aware of.

This means that either someone with a credit card from each region would have to pay for the items or I will need to ship these items to you and then you will need to forward them to each individual. Also - we do not have a store in Russia, so that would need to be shipped to you either way.

Please let me know if this will work for you and I'll get those added to your order and have them shipped to your office.

I'll check in mid-day tomorrow. Talk soon.

Best Wishes,

Hi Lesley -
Hope you enjoyed your Thanksgiving as well!

Sorry for the delay - I ended up coming down with a cold and was out
of office yesterday.

I will update you before end of day on the status of this order and will
hopefully have an update re: Europe
tomorrow.

I'm going to pull together your additional requests right now.

Best Wishes,
