go to Vegas this Sat. Nov. 3rd. Should we use points? it would be 555,060  
points and get 20% points back or \$5550.60. Points are not reversible. if for  
some reason we cancel the flight (they don't go) we get money back not points.  
Please advise what I should do...thanks (I would think Jeffrey has WAY more than  
enough points to cover the flights)...
